Who are we

- Company website www.dhofarinsurance.com
- Dhofar Insurance Company (DIC) is registered as an Omani Public Joint Stock Company incorporated in the Sultanate of Oman on the 5th of September 1989. The Company's principal activity comprises of writing all classes of Insurance.
- DIC was established with a paid-up capital of RO 3,000,000 (\$8,000,000) and now represents one of the largest insurance company in Oman, in terms of premium and capital, with paid up capital of OMR 11 million.
- DIC has a network of 45 branches including 7 regional offices covering different parts of Oman (including Khasab and borders of UAE / Yemen). We provide easy reach, efficient and coherent services throughout the Sultanate of Oman.
- As a result of the increase in branches, premium and underwriting results, the Company's employees have increased from 7 in 1989 to over 325 in 2024.
- The company has proven high efficiency, dedication and availability during all-catastrophic events that hit the Sultanate of Oman in the past few years, especially cyclone Gonu, Phet and Mekunu.
- Dhofar Insurance adheres to a strict Omanisation policy which currently stands at 83% overall and increases to nearly 100% in most branches. As part of this internal organic growth, we have established a training center that enables us to be at the forefront of technological developments in the insurance industry and the world at large.
- DIC has been honored by His Majesty's government for the fourth consecutive year for the Omanisation program.
